Thank you for participating in the 2017 Miss Georgia Pink Princess Pageant!

We are very excited to partner with the Breast Cancer Research Foundation in hopes to raise money for such a worthy cause. Each of you are making a difference just by participating.

The queens from the pageant are encouraged to participate in various community service events for Breast Cancer Awareness. We hope to promote these young ladies to use their crowns to help make a difference.

One in every eight women will be diagnosed with breast cancer during her lifetime. Thanks to improvements in treatment and early detection, millions of women are surviving breast cancer today!

*** Crown A Loved One! ***

If you know of a Breast Cancer Survivor or someone that has been affected by Breast Cancer, that you would like to recognize, this is the time! This is a day to celebrate women across America that have been affected by this fierce disease. During each age division's crowning ceremony, we will call anyone in attendance that has been affected by Breast Cancer to come to the stage. We will read their name and a brief info of their story and then crown them with a beautiful crown and sash! We only ask that you help cover the cost of this with a **\$25** donation, as we do not want to take funds from the Research Foundation to cover these costs. What a wonderful way to show these ladies our love and support! Either we can crown this person, or the contestant may crown them...just let us know!
